

## Scouting the Attleboro Arts Museum

The Attleboro Arts Museum is collaborating with local Boy Scout & Girls Scout Troops to offer special gallery tours of Museum exhibitions & mini art-making workshops. Scouts will combine looking at professional artwork in the Museum's gallery, speaking with an artist, and fun, age-appropriate art-making experiences to help them on their way to achieving select artist badges.

The Attleboro Arts Museum is happy to coordinate with each Troop on scheduling a visit as well as a Troop's specific badge needs. **Visits will only be scheduled during times when exhibitions are on display in the Museum's main gallery.**
